For Wales, I suggest you bring a packed lunch because you will arrive at about 1-1.30 in Maniago and I'm not sure if you can have lunch in a restaurant at that time. When you arrive the taxi drivers will be outside the arrivals area with a sign saying "Erasmus Maniago." Also there will be a surprise waiting for you in the reception of the Hotel at 16.30 – Don't be late!!!! On Sunday you have two options. If the weather is good, you can go for a walk up the mountain behind Maniago with our headteacher and his husband. If the weather is bad, you can go to the swimming pool (in this case you need swimming gear)

There are many restaurants in Maniago the prices depend on what you eat however, they are from €12 upwards. However, I'll give you more information when I see you on Saturday/Sunday.
