We recommend to bring the following items:

- hiking boots;
- change of clothes (t-shirt, trousers and socks in case of rain)
- sweatshirt, rain jacket, hat
- sleeping bag (the host families will provide one for each of your student, so that they don't need to pack them).

In order to be protected against ticks, we recommend to wear light-colored clothes and above all long trousers and closely knitted socks. Also, please let us know if any of your students do have any allergies to insects bites and if they need specific medicines.
